Jan. 12 – Mar. 2

Thursdays 9:30 a.m. – Noon

This class is designed to dig deep in personal thought and meaning with creative images and words expressed in an art journal forum. Students will need to purchase the wonderful little book, **Tree Spirited Woman** by **Colleen Baldrica** which we read aloud and discuss while creating in our journals. Inspiration is sparked from nature and ancient wisdom, guiding us each week intuitively in our journal entries.

\$185.00 Class session runs 8 week
